### What are we doing?

Between Friday 9 April and Friday 23 April - subject to weather - we will be working in Homestead Lane, the Ilam Homestead entrance and the UC exit. This work will require each street to be closed intermittently at the Ilam Road intersection. **One street will always be accessible on the west side of Ilam Road at any one time.**

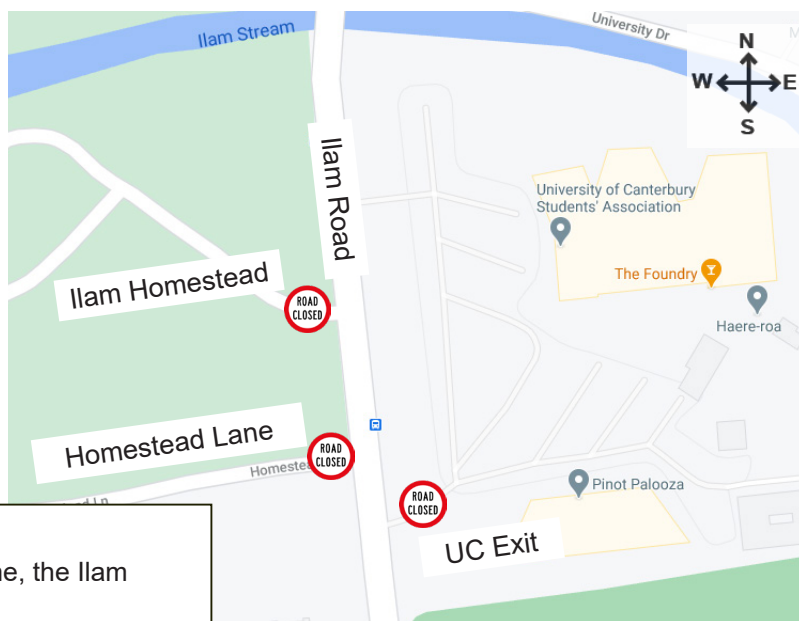

These closures will be in place so we have enough room to dig out the road and lay pavers at the entrance of each street.

### Traffic Impacts

Closures will be in place between 6am and 6pm. There will be no access in or out via Ilam Road during this time.

Please follow the detour signs. Our friendly staff on site can also assist with any queries.

We know this work is disruptive so we appreciate your patience and understanding. Thanks for your cooperation.
