Nor'West Arc Cycleway

What We'll be constructing the new cycleway on Ilam Road

Where Ilam Road between University Drive and Riccarton Road

When Tuesday 8 June for approximately six weeks

Contact Fulton Hogan on 0800 ROAD FH (Mon - Fri, 8am - 5pm) or email cant.info@fultonhogan.com. After business hours, please call us if the matter is urgent. Please advise us if you have specific property and access requirements e.g. vehicle deliveries, medical visits, planned work.

What are we doing?

From Tuesday 8 June for approximately 6 weeks, Ilam Road will be one way southbound from University Drive to Riccarton Road. This is so we can start constructing the new cycleway on both sides of Ilam Road. The current one way system will be extended from Rudleigh Ave, north to University Drive. We know this work is disruptive so we appreciate your patience and understanding.

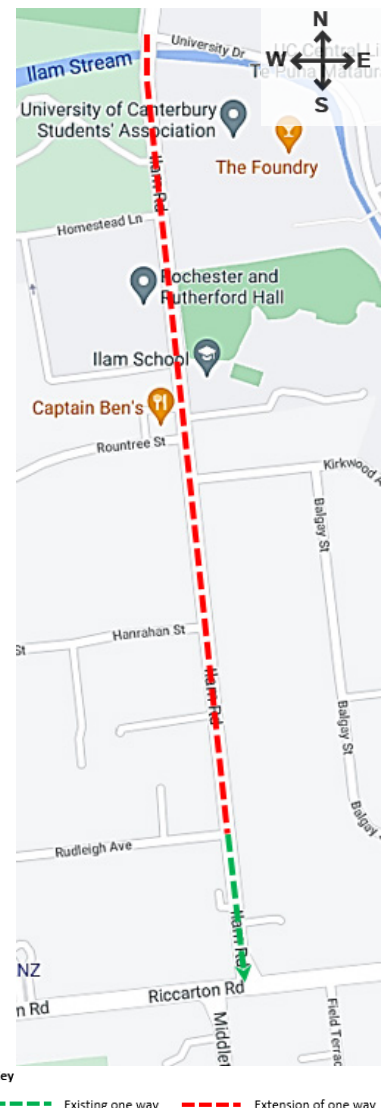

Traffic Impacts

There will be no right hand turn onto Riccarton Road from Ilam Road and no entry onto Middleton Road from Ilam Road and Riccarton Road.

Please be on the lookout for changes to the traffic management and follow the signs.

On-street parking will be temporarily removed as part of this work but we will reinstate any available parking as soon as possible. Our friendly staff on site can also assist with any queries.

We are doing our best to give you accurate timeframes but unforeseen issues like weather, buried obstructions and unknown services can make work take longer. Alternately, sometimes we find ways to speed up, which means we may carry out some works sooner than expected - and be gone sooner!

Thanks for your patience as we work in your area

Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

Safety

Safety is our biggest priority so please keep children and pets away from worksites.

Other projects

Nor'West Arc Cycleway

What We'll be temporarily closing Kirkwood Avenue

Where Kirkwood Avenue at the Ilam Road intersection

When Tuesday 8 June 2021 for approximately 2 weeks

Contact Fulton Hogan on 0800 ROAD FH (Mon - Fri, 8am - 5pm) or email cant.info@fultonhogan.com. After business hours, please call us if the matter is urgent. Please advise us if you have specific property and access requirements e.g. vehicle deliveries, medical visits, planned work.

What are we doing?

From Tuesday 8 June, for approximately 2 weeks, we will be closing Kirkwood Avenue at the Ilam Road intersection. Doing this will give us enough room to dig out the road and lay pavers at the entrance of Kirkwood Avenue.

If weather is unfavourable during this time, this work may be delayed and the closure extended - this will be communicated via a letter drop should this occur.

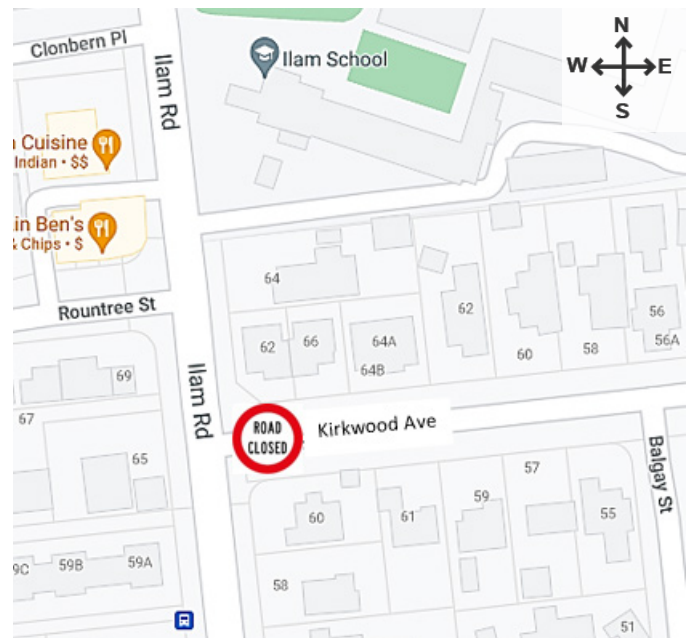

Traffic Impacts

From Tuesday 8 June for approximately two weeks, Kirkwood Avenue at the Ilam Road intersection will be closed - **there will be no access in or out during this time**. The best way to access Kirkwood Ave will be from Clyde Road.

Please be on the lookout for changes to the traffic management and follow the signs.

Our friendly staff on site can also assist with any queries.

We know this work is disruptive so we appreciate your patience and understanding. Thanks for your cooperation.
